

APRIL 28 - MAY 1, 2023.

Joining is as easy as 1, 2, 3:

1

Create a free account through iNaturalist.ca or the free iNaturalist app.

2

Record photos or sounds of plants and animals you see around the city during the CNC.

3

Upload observations and location using the iNaturalist app or digital camera photos to iNaturalist.ca.

See the results at: [iNaturalist.ca/projects](https://www.inaturalist.ca/projects)

Why participate?

There is nature all around us, even in our cities! Knowing what species are in our city and where they are helps us study and protect them, but the **ONLY** way to do that is by all of us – scientists, land managers, and the community – working together to find and document the nature in our area. By participating in the City Nature Challenge, not only do you learn more about your local nature, but you can also make your city a better place – for you and other species!
